Computers and iPads

I will bring my own laptops and iPads.

Set

I'll bring inflatable screen for projection. For larger shows with three hour setup I will bring a two truss systems to hangs space ship interior panels with all hardware. This is only for very large stages. (3 hour setup)

We will need steps to get the kids on and off stage for interaction.

Set up and Strike Durations

Estimated Setup Time - 2 hours
Estimated Strike - 45 minutes
